

REMARKS

Applicants elect, with traverse, to prosecute claims 1-10 (group I) drawn to a water soluble package.

Applicants respectfully traverse the Restriction Requirement since it appears that the search for a water soluble package would necessarily produce documents directed to a method of making a water soluble package and a method of using water soluble package. Consequently, it is respectfully requested that the restriction requirement be reconsidered and withdrawn.

Applicants apologize for any inconvenience to the Examiner. Applicants' undersigned attorney returned Examiner's telephone call and left a message on the Examiner's answering machine, in response to the telephone restriction requirement.

If a telephone conversation would be of assistance in advancing the prosecution of the present application, applicants' undersigned attorney invites the Examiner to telephone at the number provided.

Respectfully submitted,
